*O happy ship,
To rise and dip
With the blue crystal at your lip!
O happy crew,
My heart with you
Sails, and sails, and sings anew.*

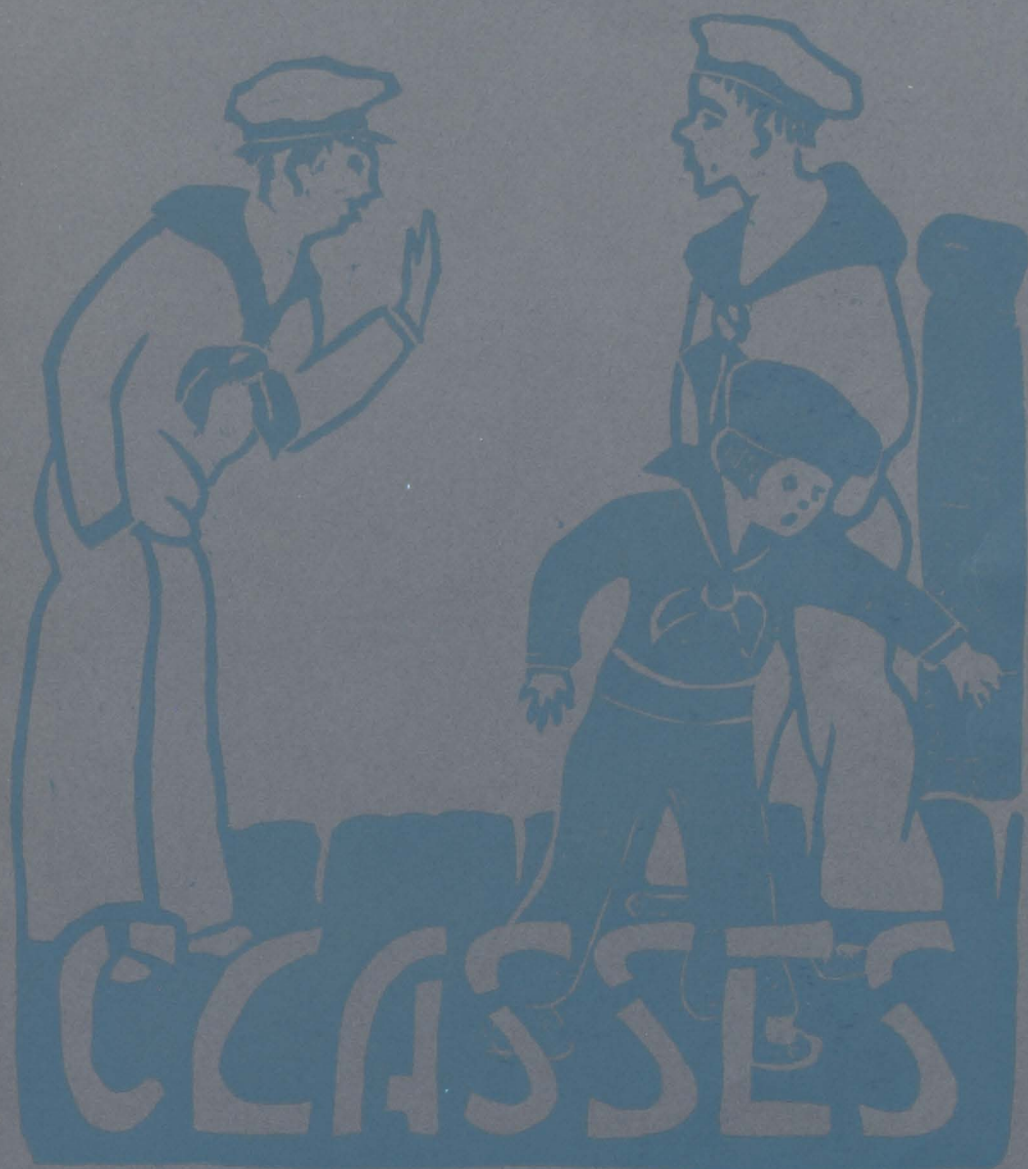

*Knowledge alone is the being of Nature,
Giving a soul to her manifold features,
Lighting through paths of the primitive darkness,
The footsteps of Truth and the vision of Song.*

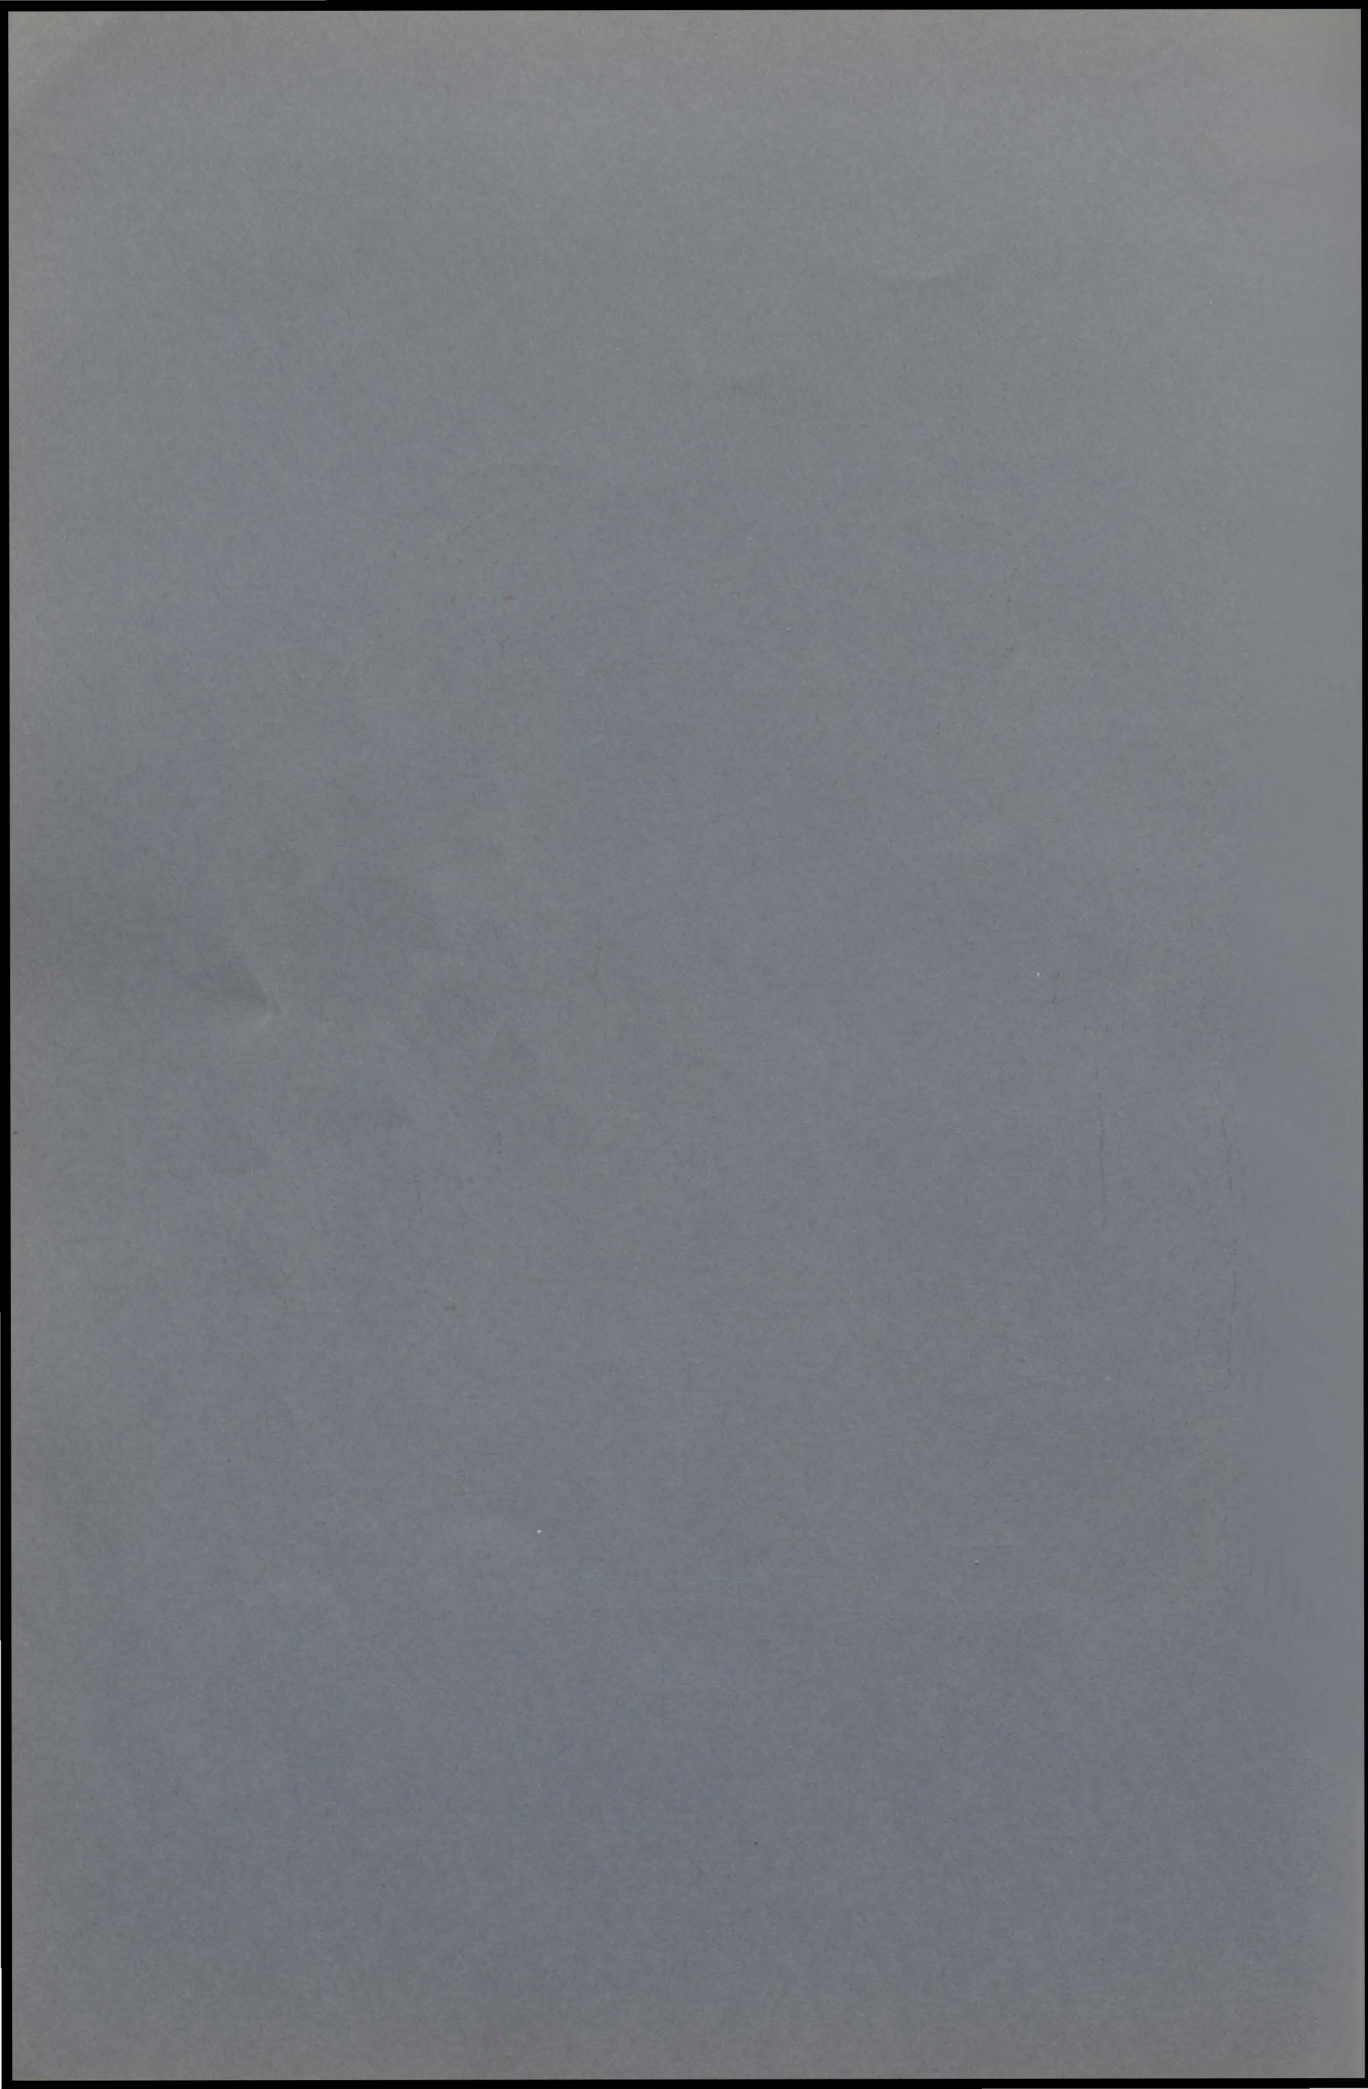

*And as the evening darkens, lo! how bright,
Through the deep purple of the twilight air,
Beams forth the sudden radiance of its light
With strange, unearthly splendor in the glare!*

*When the mystic night comes stealing
Through my vast, green room afar,
Never king had richer ceiling—
Bended bough and yellow star!*

JUNIORS:

The time approaches when we shall enter into the final act of our High School life. We shall assume the duties which are expected of us, leadership and loyalty to our school. Shall we meet that expectation, or shall we climb as high and even higher than our predecessors? That is for us to decide.

Let us as Seniors unite our efforts and put forth all our time and energy to make our class excel all others.

GEORGE HATHAWAY, *President.*

Football

THE NINETEEN TWENTY-SIX season though not as successful as the previous was on whole a prosperous year. With sixteen out of twenty-two letter men back for next year's squad, things look bright for the future football teams.

Mr. Bonnett, of West Point, and Mr. Gerke, who coached St. Clair last year, were the coaches of this team.

PORT HURON 7—WYANDOTTE 7

As this game was the first week that school opened, the team did not function as well as it did in later games, and the weather also was a detriment to good football. If the game had been played at a later date, Wyandotte would have been defeated very easily.

PORT HURON 39—BAD AXE 0

Port Huron regained her last year's form and defeated Bad Axe in a rather slow game on a rain soaked field. Mugavero scored four touchdowns and was the star of the game. Geoffroy and Morrison each plunged one over.

PORT HURON 19—ROYAL OAK 12

This game certainly showed what caliber men we possess. At the half, the score was 12 to 0 in favor of Royal Oak, but the fellows came back and scored three touchdowns to win the game. Howard, star guard, was hurt in this game.

PORT HURON 32—SOUTHWESTERN 6

Southwestern was swamped by the Red Whites who were in good condition and form. The first touchdown was the result of a steady march down the field. It was impossible to pick the stars of this game as they all played well.

PORT HURON 14—PONTIAC 0

In this game we did not score until the fourth period when Joe Letzgus, a substitute, recovered a fumbled punt and a blocked pass and scored both touchdowns. There was not much running with the ball as the field was too muddy and consequently slippery.

PORT HURON 2—LANSING 7

This game was played in hard luck if there is such a thing. The score really should have been 7 to 0 in favor of Port Huron but the breaks were against us, and we immediately forgot State title hopes and came back to earth.

PORT HURON 45—YPSILANTI 0

Revenge for the Lansing game was taken out upon the helpless Ypsilanti team. The game was played in a sea of mud and evidently Ypsilanti was sunk, for after the first quarter there was nothing to it for the Port Huron machine.

PORT HURON 7—BIRMINGHAM 7

Another of those games that should have been won! The field was not even marked out at Birmingham and their touchdown was made by a lucky break. It was a very sluggish game and the fault of our team was over-confidence.

PORT HURON 12—MT. CLEMENS 22

It was this game that the Port Huron team pointed to all year, the classic of the season, only to have O'Dell, our expert forward, pass out of the game with a sprained ankle. But it was a great game and the team was well supported, but it was plainly not our day for victory. The fellows all played well and accepted the defeat with grace. Anyway we'll win back the Brown Jug next year, let's hope.

PORT HURON 18—U. OF D. HIGH 7

Port Huron staged a comeback after U. of D. had scored in the first few minutes of play. It was in this game that Capt. Molloy came so close to a touchdown that was not allowed. The game as usual was played on a water-soaked field which handicapped our fast men.

PORT HURON 12—RICHMOND 6

Our annual game with Richmond was packed with thrills, it was the best opposition Richmond has put up since 1924 when we were defeated 33 to 7 in a lopsided game. O'Dell's effectiveness as a passer was in evidence at this game as both touchdowns were results of his long throws.

FOOTBALL SQUAD

Basketball

THE BASKETBALL season was an eventful one this year. Most of our big games were lost on account of having such a light team. In the Mt. Clemens game we were ahead until the last half, but the pace and strain were too hard for the fellows.

At Lansing a last half rally spelled defeat for P. H. to the tune of 33 to 18. But this was avenged at the State regional tournament held at Ypsilanti. The fellows went over Thursday morning and played Adrian that night. The teams were evenly matched and the score was close throughout the whole game. When the contest ended, P. H. was ahead 23-18. Our next game was played Friday afternoon with the Big Reds of Lansing, who were favored to win quite easily, but by sheer determination, grit, and fighting spirit, the dope was upset and Lansing went down to defeat.

The finals came Saturday night with P. H. vs. Pontiac; this was our chance to avenge the early season's defeat but Lady Luck refused to smile. The game was very slow on account of Pontiac's stalling while they were ahead and when the final whistle blew the game was lost to Pontiac.

Baseball

PROSPECTS in baseball look bright for this season, although there are only three lettermen back on the squad, Captain Steinborn, Mugavero and O'Dell. Coach French is using these last three men as a basis around which to use his new material. These players have been discovered in class games, and some have come in from out of town.

The men that will probably represent our team in baseball are: Captain Steinborn, Mugavero, O'Dell, Smith, Marshall, O'Brien, Dean, Miller, Carson, Howse, Woodward, White, Lawson, Ferguson, Lloyd, Canavan, Riggins and Woodward.

Our squad has a very hard and a very good schedule this year, and if the boys keep up the good work they have displayed in the first few games, we ought to have a winning team.

Port Huron defeated Detroit Southeastern, Bad Axe, and Marysville, but were defeated by Royal Oak 4 to 3 in a very hard fought game.

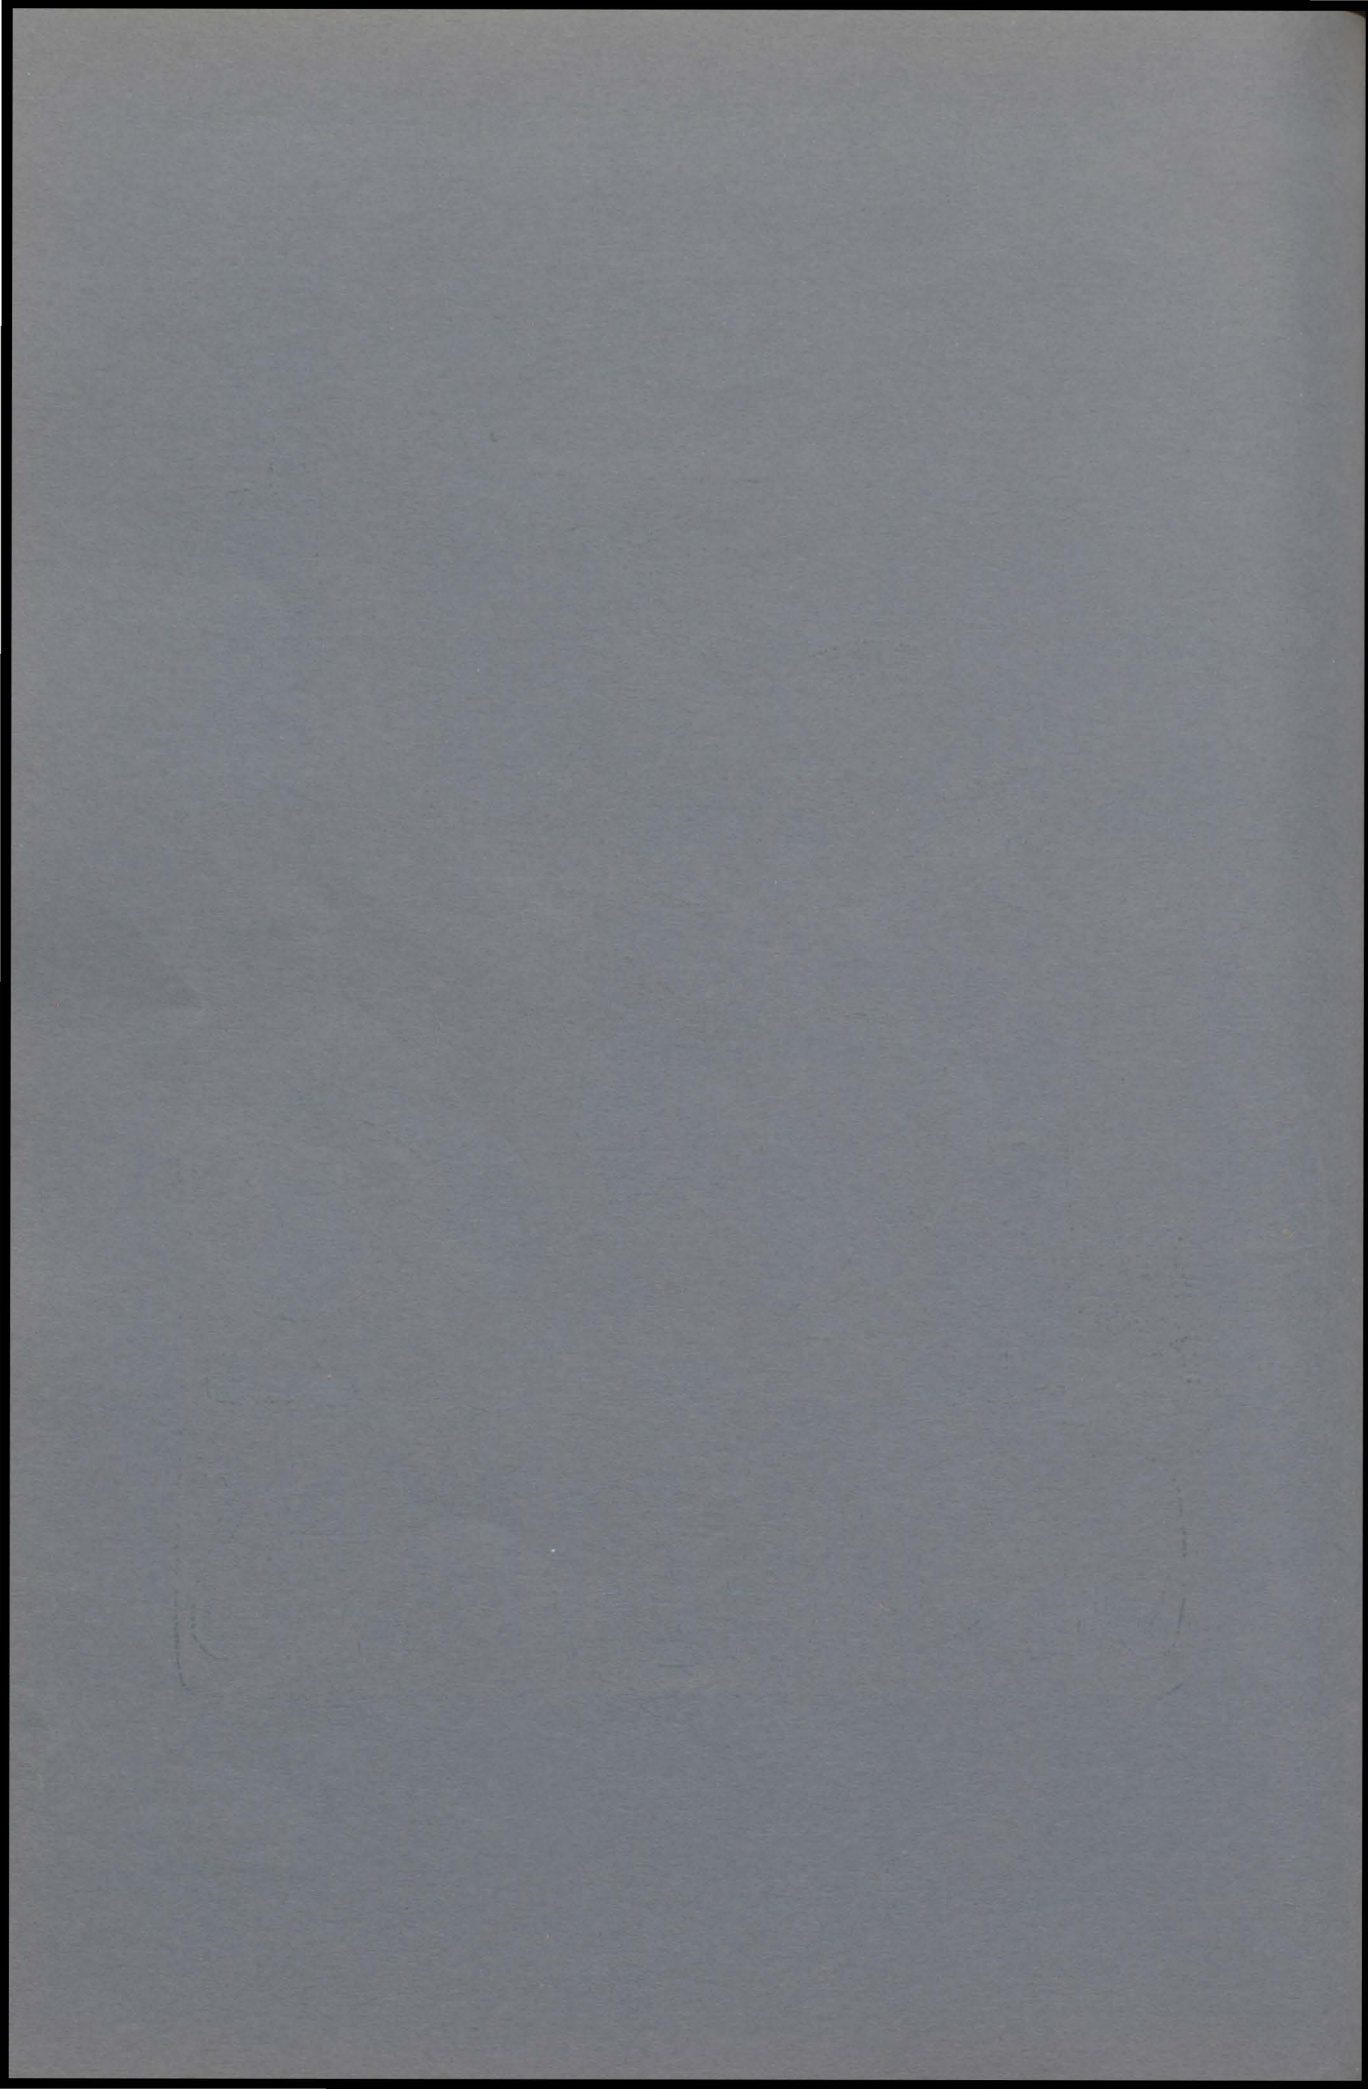

Track

PROSPECTS for track are glowing as most all of the last year track men are back. The track team this year will be led by Captain Relkin, and will probably be assisted by Wonderlic, Judson, Montgomery, Socha, Lee, Reid, Hoskins, Keener, Morrison, Monroe, MacVicar, Kerkhoff and Adams.

Coach Gerke is putting his men in condition and is taking them to meets so they will get practical track experience, and training.

The men this year look very good and some real stars will come out of this group. We hope to put Port Huron High School on the map.

The Girls' League

NINETEEN TWENTY-SIX AND NINETEEN TWENTY-SEVEN has been a new year in the history of the Girls' League as it was practically re-organized. Instead of the separate departments the League worked as one unit.

Thursday evening, October 21, a party was given in our High School auditorium to which all new girls were invited and entertained. The work of the special committees and the co-operation of the girls in general caused this to be a very delightful and successful affair as about two hundred girls attended.

After this a Membership Drive Campaign was held for a week when all girls were asked and given a chance to become a member of the club. This was sponsored by committees of five from each class.

At the Annual Christmas party for children below school age fifty were entertained and given toys and Christmas baskets were delivered to two needy families.

The present advisors are Miss Franklin, Miss Rowe, Miss McColl, Miss Laura Moore, Miss MacLaren and Miss Meehan.

The officers are:

DALE MACLEOD	-	-	-	-	-	-	President
VERA RABIDUE	-	-	-	-	-	-	Vice-President
CHARLOTTE WOODWARD	-	-	-	-	-	-	Secretary
DONALDA MACMURCHY	-	-	-	-	-	-	Treasurer
MILDRED GETTY	-	-	-	-	-	-	Publicity Agent

Le Cercle Francais

UNDER THE leadership of Louise Savill as president, Le Cercle Francais in its second year has nearly doubled its membership. The other officers were: Bertha Kragelund, vice-president; James Hanson, treasurer; Helen Whiting, secretary; and Miss Virginia Everham, advisor.

The club has inaugurated several new features—an orchestra all its own under the direction of Raymond Straffon, and a boys' basket-ball team with George Day as captain. In March the club sponsored a film, "The Little French Girl," interspersed with vaudeville acts, all under the direction of Mabel Morrow. The correspondence with pupils in France has greatly increased, there being now about fifty members taking part.

At the club meetings the programs have been most interesting. There were talks on Paris, Louis XIV, and French Canada. Two dramatic selections were presented: a scene from *Les Miserables* by the French V class, and two scenes from *La Lettre Chargee* by French III pupils. French games were always played, French refreshments served, and even the prizes came from France.

La Tertulia Espanola

FOLLOWING a difficult but successful year "La Tertulia Espanola" now holds an important part in the school activities. More interest has been created in the Spanish department through the club.

Among the interesting meetings held was the Spanish Christmas party, in which the customs of Spain were presented. Another meeting, an entire program of Spanish music, was given.

The officers for the year are:

MAX FARMER	-	-	-	-	-	-	-	President
BESSIE McCORMICK	-	-	-	-	-	-	-	Vice-President
ALICE EDWARDS	-	-	-	-	-	-	-	Secretary
HELEN KEFGEN	-	-	-	-	-	-	-	Treasurer

An interesting Spanish play was presented May 2, "Los Pantalones." The characters were: Margaret Stevenson, Chris. Couser, Bessie McCormick, Stanley Waterloo, Lavern Hall and Eleanor Welsh.

The most important social function of the year was a delightful Dinner Dance May 16.

Due to the earnest co-operation of Miss Slocum and Mrs. Lewis, "La Tertulia Espanola" has progressed a great deal during the last year.

Latin Club

DURING the past year the Latin Club has shown by its various projects that the study of Latin can be made both interesting and helpful.

The officers for this year are:

PEARL AVERY	-	-	-	-	-	-	-	<i>President</i>
SAM TOUMA	-	-	-	-	-	-	-	<i>Vice-President</i>
LILLIAN SMITH	-	-	-	-				<i>Secretary and Treasurer</i>

The monthly meetings were in charge of a program committee of which Louise Moffett was chairman. One of the most interesting meetings was held on April 25th when a style show was presented by different members of the club displaying the dress worn by the different ranks of people in ancient Rome.

Three successful outside projects were also sponsored by the Latin Club during the year. Early in the year a movie, "The Last Days of Pompeii," which was a great financial success, was given in the auditorium. Under the direction of Miss Kellogg a Latin newspaper, "*Mercurius*," was published early in May. Mabel Morrow was the editor-in-chief of the paper. The Roman banquet, which is held annually in honor of the Vergil class, was given in the latter part of May. Katherine Luz was in charge of this affair.

Senior Shorthand Club

UNDER THE direction of Miss Geraldine Turner and Miss Maude Murphy, advisors, the Senior Shorthand Club of 1926-1927 was organized. The following officers were elected for the year:

<i>President</i>	-	-	-	-	-	-	-	LOUISE SAVILL
<i>Vice-President</i>		-	-	-	-	-	-	JUNE McMURRAY
<i>Secretary</i>	-	-	-	-	-	-	-	LAVERN HALL
<i>Treasurer</i>	-	-	-	-	-	-	-	MARION GRAVLIN

At the beginning of the year, meetings were held in the afternoon, but were later changed. Dinners were then served in the High School Cafeteria the third Monday of each month.

A Valentine dinner was held the 14th of February, the Cafeteria being attractively decorated. Miss Franklin was guest of honor. After the dinner an entertainment was provided which consisted of bridge, and dancing.

Candy was sold throughout the year in order to gain funds to send students to participate in the Shorthand Contest.

Louis Pasteur Club

THE LOUIS PASTEUR SCIENCE CLUB was organized in November, 1925, under the direction of Mr. Black and assisted by Miss Franklin, for the purpose of enabling students in High School to make a broader study of, and to further their interest in, the fields of science.

The first year the meetings were held every two weeks and presented varied programs to groups interested in Radio, Photography, Electricity and Scientific Reports. To carry on this plan necessitated the adding of Mr. Draper and Mr. Denkleberg as assistants.

This year we adopted a constitution and otherwise perfected our organization. We meet the third Tuesday of every month and carried through the year with a program that produced big things for its members and the school.

THE SECOND YEAR of the Senior Girls' Hi-Y Club, under the direction of Mrs. Ralph Cochrane and Miss Sarah Slocum, has proved very successful. Many interesting as well as valuable programs were given at the regular dinner meetings held each Wednesday evening at the Y. M. C. A.

With the Hi-Y pledge: "To create, maintain, and extend throughout the school and community high standards of Christian Character" ever in mind, several activities were carried out by the girls.

Among the successful events for the year was the Christmas Party given for the crippled children. One phase of the program was a moving picture furnished by Mr. Herb Weil. After a delightful meal Santa Claus distributed the beautiful and enjoyable presents which reposed upon the abundantly laden Christmas tree.

The Girls of the Club had charge of a mass meeting at school to which all Girls were invited. Mr. Byron spoke on, "Clean Speech, Clean Scholarship, and Clean Living," and each girl signed a pledge.

The mothers of the Members of the Club were entertained at the annual "Mothers' and Daughters' Banquet," and a very interesting program was provided for their entertainment. The speaker of the evening was Mrs. Clara Davis who gave an address on "Health."

One of the most interesting and valuable speakers was Mr. Lichtwardt of South America, who talked at a joint meeting of the four Hi-Y Clubs.

At some of the meetings the program was furnished entirely by the girls and some unknown talent was discovered and brought to light. Pearl Avery, as Club musician, was always willing to entertain and her delightful vocal selections and piano solos were enjoyed by everyone.

Much credit is due Mrs. Cochrane as it was only through her efforts that it was possible to have a Girls' Hi-Y Club in Port Huron High School.

Boys' Hi-Y

THE FIRST meeting of the Hi-Y club was held this year two weeks after school began. The new officers elected at this time were:

RICHARD MUGAVERO	-	-	-	-	-	-	<i>President</i>
THEODORE HOWARD	-	-	-	-	-	-	<i>Vice-President</i>
ALLEN CASCADDEN	-	-	-	-	-	-	<i>Secretary</i>
RUSSELL JOHNSON	-	-	-	-	-	-	<i>Treasurer</i>

The first important event was the Father and Son Banquet at which Rev. Munday spoke. The meeting was well attended and was one of the most successful ever held.

A number of Hi-Y boys attended the Older Boys' Conference in Jackson. Representatives of the churches and the club attended together and reports were given.

The Three C's campaign was one of the most worth while efforts of the season. A free dinner was served at the M. E. Church and all the High School boys were guests. Mr. Byron was the speaker. Pledge cards were signed.

After the holidays we held our mid-year elections. Richard Mugavero and Russell Johnson were re-elected, Vroman was chosen as vice-president, and Schell as secretary.

The minstrel show which was given in March was a great success both in a financial way and in the way of entertainment. Mr. Packard directed the show.

About fifteen Hi-Y members attended the conference at Mt. Clemens, March the fifth. Delegates also attended the conference at Marine City, and they brought back interesting reports.

Our annual meeting with the Rotary Club was held in April, at which time we gave the minstrel show for the Rotarians.

Plans are now being made for the annual banquet to be held in June at which time elections will be held and the Weil prize will be awarded.

Sophomore Girls' Hi-Y

THE SOPHOMORE Girls' Hi-Y is a new organization in the High School. During the year the programmes have been varied and have been planned with the four C's and the Hi-Y ideals in mind.

The social events of the year were a party for new members, a Mother and Daughter Banquet and a Spring Party.

The officers are:

LUCY WADSWORTH	-	-	-	-	-	-	President
JUNE PENNY	-	-	-	-	-	-	Vice-President

Editorial Board

THE EDITORIAL BOARD, sponsoring the student publications of the school, was organized in 1925. The board is composed of two delegates from each of the classes, the president and one other member elected by the class, five members of the faculty, and Mr. Meade. The functions of the board are the election of the Student and Lighthouse staffs.

Sports

By JAMES OTTAWAY

Mother, father, sister, and brother,—all follow the sports. Mother despairs when her husband craves for golf, and father despairs when his wife is lost to bridge. Even the parents despair when either sister or brother spends the afternoons at the ball-park, or the evenings at the gymnasium, but let us all remember, the United States is for sane and honest sports!

Axiom Club

SOON after school began this year, a mathematics club was organized for the first time in the history of Port Huron High School. It was named the Axiom Club and the following officers were chosen:

GEORGE WATERS	-	-	-	-	-	-	-	President
CLARE BEATTY	-	-	-	-	-	-	-	Vice-President
RALPH SMITH	-	-	-	-	-	-	-	Secretary
NELSON MIRES	-	-	-	-	-	-	-	Treasurer

The object of the club was to promote an interest in mathematics and in a short time, under the enthusiastic management of Miss McCollum, Miss Meehan and Mr. Jones, the organization was in a flourishing condition.

The club held meetings once a month. The attendance was good and the addresses and discussions very interesting and profitable. At one meeting Mr. Hubbell talked on Fire Insurance Engineering and, at another, Mr. Bateman explained the relation of mathematics to cement manufacturing. Interesting discussions on the Boulder Dam and other current events were given by members of the club at various meetings and the connection of geometry and architecture was shown by means of moving pictures.

The outstanding social event of the year was a Christmas party. A banquet was held in the High School Cafeteria at 6:30 o'clock. The room was decorated in Christmas colors with a tree at one end which was loaded down with candy canes for everyone. After the dinner Miss McCollum gave an illustrated talk on her trip abroad.

Much enthusiasm was shown by the members this past year and it promises to be forthcoming next year.

Boys' Council

OFFICERS

SAM TOUMA	-	-	-	-	-	-	-	<i>President</i>
HILDRETH FOLTZ	-	-	-	-	-	-	-	<i>Vice-President</i>
DONALD PHILLIPS	-	-	-	-	-	-	-	<i>Secretary-Treasurer</i>

WALKER CANHAM	-	-	-	-	-	-	-	<i>Commissioner of Drives and Campaigns</i>
CLARE BEATTY	-	-	-	-	-	-	-	<i>Commissioner of Social Activities</i>

AT THE beginning of the fall semester the Boys' Council was organized as a service club. Much credit for the founding of it is due to Hildreth Foltz, who conceived the idea.

Sam Touma was chosen to lead the Boys' Council the first year and the success of the achievements of the Boys' Council fall a great deal on him.

During the year the Boys' Council assumed the duties of ushering at games, taking tickets and receiving visiting teams. The boys have charge of regulating traffic in the High School.

It was decided by the Boys' Council to have an annual Easter Party and this year it was held at the Mueller Country Club, resulting in a complete success.

Senior Girls' Club

THE SENIOR GIRLS' CLUB, which includes every Senior girl, is one of the new organizations to be formed this year. The purpose of the club is to create a feeling of unity among the girls of the Senior Class that they may in some small way set a standard of dress and conduct to be followed by all girls of the school.

The officers who were elected by the old Roman method are: Alice Edwards, president; Emma King, vice-president; Helen Fish, secretary; and Novia Osgood, treasurer.

Each month's meeting is in charge of a committee which is formed by placing the names of all the girls in a box and allotting a given number for each committee. The first name drawn from the box is the chairman.

The club has achieved some very commendable results for the school this year, namely, the inauguration of uniform dress for the girls; the sponsorship of the dancing class; and assistance to the Dean of Girls in the big sister idea.

Art Club

THIS YEAR, for the first time in the history of Port Huron High School, art was offered as an accredited subject. As a result many more pupils than formerly showed an interest in art and the Art Club was formed with the following as officers:

EMMA KING	-	-	-	-	-	-	-	<i>President</i>
CAROLYN BROWNING	-	-	-	-	-	-	-	<i>Vice-President</i>
MARGARET RYAN	-	-	-	-	-	-	-	<i>Secretary</i>
ERNESTINE WEBB	-	-	-	-	-	-	-	<i>Treasurer</i>

A formal document on which appeared the signature of twelve Seniors asking that such a club be organized to broaden the knowledge of art throughout the city as well as the schools, was presented to the Art Supervisor in December, nineteen hundred and twenty-six, and accepted.

The first meeting was held in the Art room, January twenty-fourth, with nine persons attending. At present there are approximately thirty-five members.

Since the class of '27 started this organization it is the desire of the present members that each succeeding class will accomplish more than the previous.

Honor Society

THE PORT HURON HIGH SCHOOL became a chartered member of the National Honor Society of Secondary Schools, on December seventh, nineteen hundred and twenty-two.

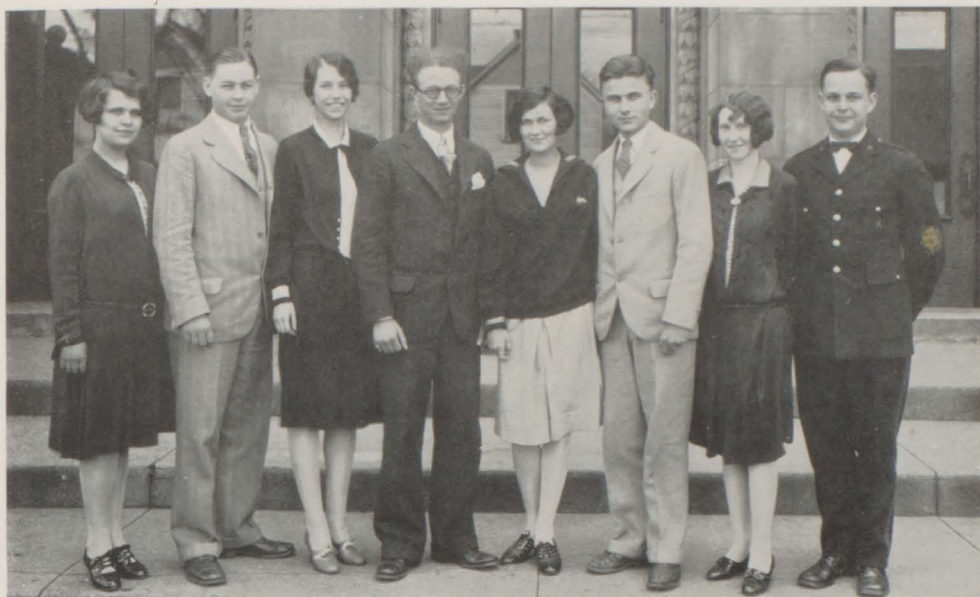

The election of the members is based on scholarship, service, character and leadership. The object of the Society is defined as follows: To create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character and scholarship in the pupils of P. H. H. S. The members are elected by the faculty and must rank in the upper one-fourth of the class. Not more than 15 per cent. of the class may be elected to membership however.

Members, beginning with 1926, are:

EUGENE BERGSMAN	BEATRICE MACDONALD
MARGARET BROWN	HUGH MCINNIS
ELEANOR BROWNING	DOROTHY MEADE

THE ANNUAL PLAY given by the Senior Class will be staged this year at the Majestic Theatre on June the third. The play, selected by Mr. Packard, the director, is "The Youngest," written by Philip Barry, a well known writer of stage comedies. Long tryouts and practices have been held and the play is gradually rounding into shape, under the able direction of Mr. Packard.

The story centers around Richard, the youngest member of the family. He desires to write poems and is opposed by all the members of the family, who constantly nag him. The house is headed by Oliver, a pompous manufacturer with a heavy voice and light head. He is backed up by his brother Mark and his sister Augusta. A certain young lady named Nancy Blake comes to visit them and upon seeing the treatment given Richard, she decides to make him the most important member of the household. Through the assistance of Alan Martin, the family lawyer, the family fortune is turned over to Richard. Nancy is also assisted in her play by Muff, who rather doubts her ability to carry through her scheme. How Nancy brings matters to a head and of the great indignation and final submission aroused in the Winslow family is charmingly portrayed by the cast and the play ends happily for everybody, especially Richard, who not only gains prestige in his family but also wins Nancy's love.

Musical Achievements

THE GLEE CLUB, under the able direction of Miss Fraser, has excelled the good record of previous years. It has done considerable public work: participating in the program at Wesley Hall, The Desmond Theatre, The Harrington Hotel, and many others. It also took part in the state contest in Ypsilanti.

The Port Huron High School Band, sponsored by the Kiwanis Club, entered the State Contest in Class D at Lansing, May 17, and carried off first place. The work accomplished by the band in playing in the competition was splendid, 99 out of a possible 100 points being awarded by the judges.

"El Capitan," one of Sousa's marches, was played for a warming up number and then followed the competition number, Handel's "Largo." The choice number played was "Melody of Love."

The Brass Ensemble played the day previous and were awarded second place.

Band

AFTER SECURING their new uniforms, the Senior High School Band, under the able direction of Mr. L. R. Challinor and Mr. E. E. Straffon, entered the limelight of the musical world.

The navy blue uniforms with their crimson lined capes and their heavily braided trimmings were readily furnished by the school's sincere friends, the Kiwanis Club, and in these garments the band played at the Desmond for one week and then for four days at the Imperial Theatre of Sarnia.

The band made several appearances before many of the Port Huron churches; it took part in the Santa Claus parade during the week preceding Christmas and also appeared in the Spring Opening Parade.

When our band played at the football game, between Mount Clemens and Port Huron, it showed the Red White fans what a peppy organization we have. As the band went marching down the field between halves at this game, Port Huron rooters were fully aware of the impressive appearance it made.

On May, the twenty-eighth, the thirty-five members of the band traveled to East Lansing to enter the musical contest. They entered in Class D. This class is for bands organized only a year. They were awarded first place.

Orchestra

THE PORT HURON HIGH SCHOOL ORCHESTRA has completed its third year under the direction of Professor L. R. Challinor, assisted by Mr. E. E. Straffon.

The orchestra started in September with thirty-two pieces which was increased to forty-five at the end of the year. Of the three years this year has been the most successful. The orchestra has become very popular.

More concerts were given this year than ever before, appearing at all the larger churches in the city, also at small towns nearby. At these concerts, fifty per cent. of the collection was given to the orchestra treasury to pay the expenses to attend the State Orchestra Contest at Ypsilanti, May 12 and 13, at which honors were won. From this fund, clarinets, a bass violin, cells, oboe, horns, and a viola were purchased.

At these concerts, it was the custom to read a short sketch of the composer's life, and the theme of the composition. These sketches give the audience an insight into the life of the composer and enabled them to understand the selection better.

The orchestra has done more than ever before to advertise the Port Huron High School. The school appreciates this and is very proud of its orchestra.

The Girls' Glee Club

THE GIRLS' GLEE CLUB, under the direction of Miss Edna Fraser, was reorganized this year with an enrollment of twenty-five members. The girls met three times a week at the second hour for Glee Club work and twice a week at the fifth hour with the Boys' Glee Club for chorus work. Much time was devoted to preparation for the contest which is held yearly at Ypsilanti. Funds for it were raised by the sponsoring of the two pictures, "Twinkletoes" and "Take It From Me," by the united Glee Clubs. Several times the girls appeared in public concert. Early in the year they were requested to sing at Westminster Presbyterian Church. On May 5, at Wesley Hall, the girls presented their contest numbers. They appeared at the Desmond Theatre during the run of the picture, "Take It From Me."

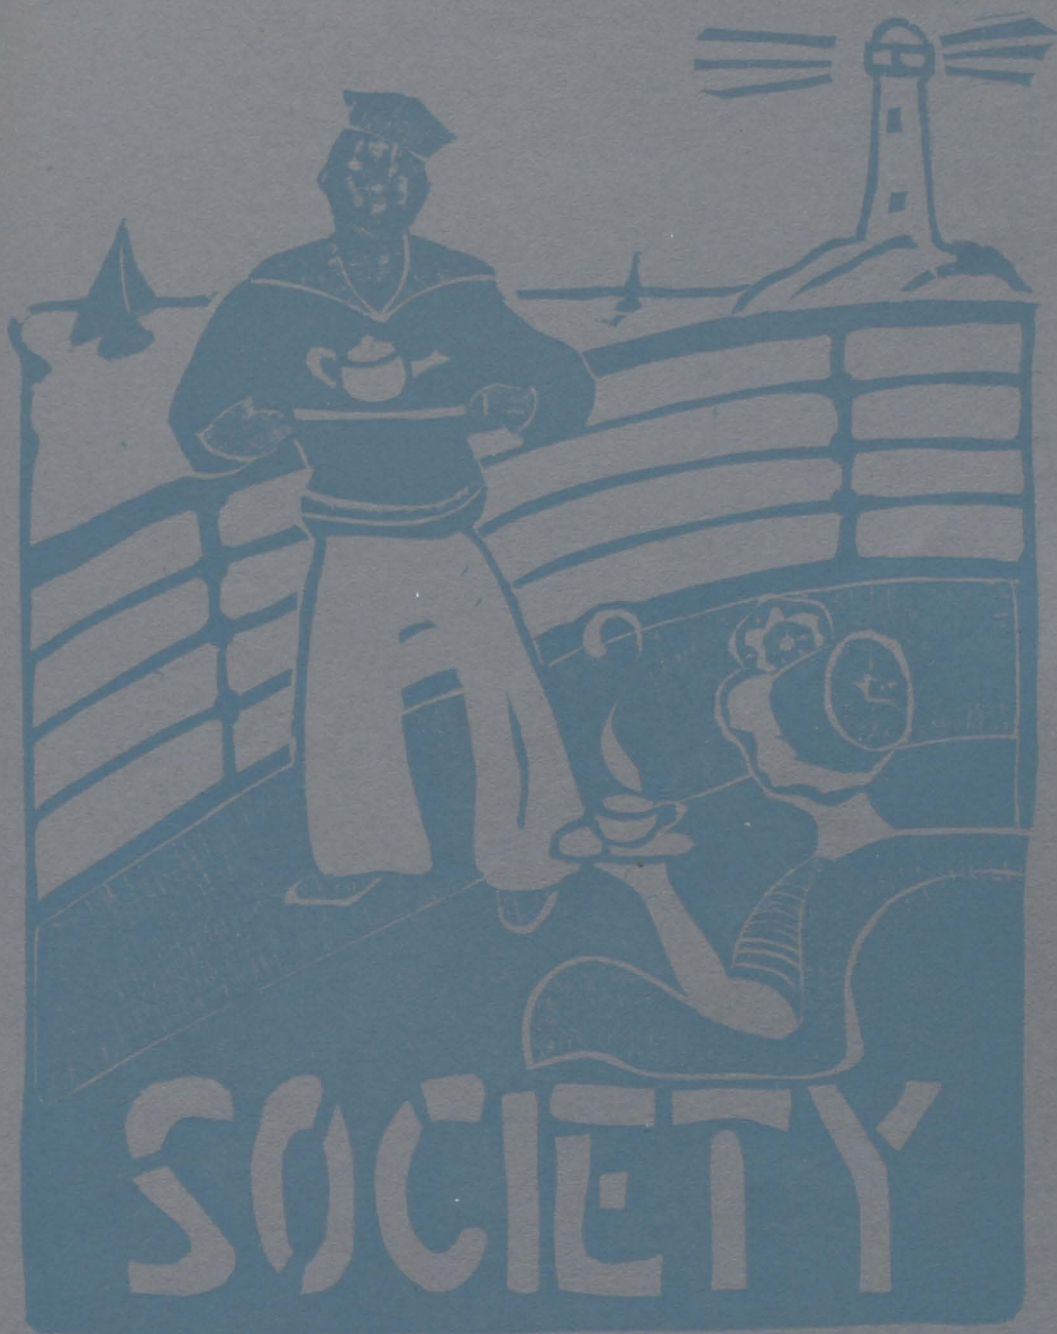

The contest number used at Ypsilanti was "Will o' Wisp," by Spross, and the optional number, "The Gardener," by Brahms, the latter to be accompanied by two French horns and the piano. The chorus numbers were, "Would God I Were the Tender Apple Blossom," an Irish air from Derry, harmonized for mixed voices, and "Gloria Patri," by G. P. Palestrini, which was sung in Latin.

The Boys' Glee Club

THE BOYS' GLEE CLUB was reorganized with an enrollment of twenty-five members. They met every day at the fifth hour, devoting two days a week with the Girls' Glee Club.

They also spent much of the time in working on the contest numbers which were, "The Hunter's Farewell," by Felix Mendelssohn, and "The Cossack's Song," by T. Williams.

The Boys' Quartet, selected from the Glee Club, sang at several of the Parent-Teachers' meetings. The Quartet includes: First Tenor, Joe Geoffroy; Second Tenor, Kenneth Frost; First Bass, Gordon Burrows; Second Bass, Bob Baker.

Senior-Sophomore Party

THE SENIORS gave their annual party for the Sophomores on Friday evening, December 3, in the Junior High Gymnasium. The gym was very appropriately decorated in green and silver, featuring a false ceiling.

The Rialto Boys furnished excellent music for dancing from eight until eleven. For those who did not care to dance other arrangements were made; a Virginia Reel entertained all.

Punch was served during the dancing. Chaperones for the affair were Senior and Sophomore Advisors. Much credit is due the Committee in charge. The general chairman for this affair was Walker Canham.

Louis Pasteur Party

ONE OF THE MOST interesting as well as attractive parties of the year was held at the Mueller Country Club, on January the twenty-first, when the Louis Pasteur Club of the High School entertained. It was an affair which will be long remembered. Tobogganing and dancing entertained the couples who were in attendance. The hall was very attractively decorated and those who did not dance were given an opportunity to play cards. After the dancing refreshments were served. One of the main attractions was the Virginia Reel, which proved enjoyable to all. The music was furnished by Don Prestons' Rialto Boys.

Girls' League

ONE OF THE MOST delightful parties of the year was held shortly after school opened when the new girls of the school were entertained and given an opportunity to join the League. The girls were entertained by games and stunts and danced to the music of Don Preston's Orchestra.

Junior-Senior Party

THE JUNIORS entertained the Seniors at the annual Junior-Senior party on Friday evening, March the twenty-fifth, at the Auditorium. The ball-room was very attractive with the colors of each class as decorations. Punch was served and excellent music furnished by Harry Baker. Much credit should be given the Juniors in charge of the party. Eldon Wonderlic was general chairman.

Sophomore Party

THE ANNUAL Sophomore party, one of the school-year successes, was held in the Washington Junior High School gymnasium on Friday evening, March the twenty-fifth, from eight till eleven o'clock.

The attractive decorations throughout the gymnasium were in green and orange. An artificial ceiling, very cleverly arranged, was only one of the numerous attractions.

Don Preston's Orchestra provided excellent music, and the Sophomore Advisors were chaperones.

Boys' Council Easter Party

ONE OF THE MOST successful parties of the year was the Easter party given by the Boys' Council on April the eighth, at Mueller's Country Club. Easter colors draped from the center light to the walls formed a canopy under which one hundred couples made merry to the music of Don Preston's Rialto Boys.

Clare Beatty was general chairman and Walker Canham was chairman of the decorating committee. Chaperones for the affair were Mr. and Mrs. Meade, Mr. and Mrs. Packard, and Mr. and Mrs. Jones.

Girls' League Christmas Party

THE CHRISTMAS SEASON was the occasion for the annual party given by the Girls' League for the poor children of the city. Toys were distributed by Santa Claus from the big Christmas tree, games were played, and refreshments were served in the cafeteria.

Sophomore Girls' Party

THE SOPHOMORE GIRLS enjoyed a party early in the year. Games, stunts and dancing were the amusements; to make the girls more speedily acquainted a committee prevented any two girls from dancing together more than once. Those who broke the rule were forced to do a stunt. Cider and cakes were served.

Senior Girls' Hi-Y Party

THE SENIOR GIRLS' HI-Y enjoyed a sleighride party on January twenty-first. Two sleigh were secured for the occasion; one was filled with girls who had "dates" and the other with girls who were not quite so successful. The ride covered the road around town and terminated at the "Y" where the crowd danced to the tune of Don Preston's Rialto Boys. Virginia Reels were run off in the real old fashioned manner providing much enjoyment and laughter.

 Billy Reid: May I have this dance?
 Kay Luz: I don't know.
 B. R.: Who does?
 K. L.: Ask the Junior class; they're giving the dance.

It freshens all the day
It tips the peaks of life with life
And drives the clouds away

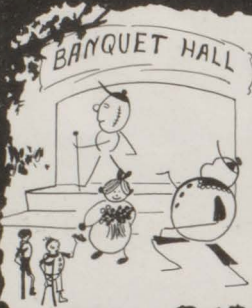

The soul grows glad that hears it
And feels its courage strong
A laf is just like sunshine
